The Man and His Job.

Keep your mind on your job and don't watch the clock. The most hopeless kind of an employee is the man who goes home on time, but comes down to work ten or fifteen minutes late.

Casey was once eating his lunch next to a open keg of dynamite, when Clancey, a fellow workman of the same nationality, knocked out his pipe on the rim of the keg. When the boss came out to ascertain the cause of the explosion he found only one Irishman where he had expected to see two, and immediately asked where Casey was and how long he would be gone.

"If he comes back as fast as he went away," replied Clancey, "he won't be gone long."

This story was told without comment by a prominent manufacturer in St. Louis to a number of employees who were in the habit of not coming back as fast as they went away. The effect was phenomenal, as the next morning everybody was on the job at half-past eight.

Paul Morton says: "Work over time whenever you can." Working late in the evening and getting at your desk on time in the morning are both excellent habits and they will mean money in your pocket.

Confessed Bank Defaulter.

A special from Foster, Ky., says: Daniel McMath, cashier of the Foster Deposit bank, is in jail at Brookville, a self-confessed defaulter for \$16,600. Trembling like an aspen and apparently on the verge of a complete collapse, McMath staggered into the chamber of County Judge Bradford at Brookville and pleaded that he be placed under arrest. "For what reason?" asked Judge Bradford. "I have ruined the bank, and I'll go mad and kill myself if I am not locked up," replied the wretched man. Then he sank into a chair. The judge called the sheriff, and a few minutes later the bank cashier, who admits that he stole \$16,600 from the Foster State bank, was sobbing pitifully in a cell in the county jail. McMath waived examination this morning and was held to the grand jury. He could not furnish bail.

New Bridge Ready for Travel.

The new Walters' Ferry Bridge is now ready for public travel. The grades on both sides being put in condition by Tuesday afternoon. When Judge Derickson last week refused to have this work done, the citizens which use the road most took their teams there Friday, Saturday and Tuesday (it raining Monday) and got the approaches so they can now be crossed. More work is badly needed on both sides to the grades to admit easy travel for all traffic. While the fills are possibly in far better condition for travel than the river banks on either side. However, when farmers get more leisure time a little later on, they will finish up these fills and gravel them. This work should be done at once.

Next Thursday Thanksgiving.

A Kansas man is convinced that advertising pays. He advertised for a lost \$5 bill and a stranger, who had picked up one on the streets, read the advertisement and restored the bill to the advertiser. A few days later, while looking over a waistcoat he had laid off, the original bill was found in a pocket. He says advertising pays 100 per cent.

How It Pays in Kansas.

Next Thursday is Thanksgiving day. President Roosevelt has issued the annual proclamation and so has Governor Beckham. Beckham, however, perhaps feels rather awkward to issue a proclamation for thanks, in the face of such an overwhelming defeat by the Republican party.

Times Ads. Pay.

A few weeks ago Green Snowden had a steer to stray away. He put a notice in the Times and soon recovered him. Wm. Snowden, Sr. lost an overcoat but soon recovered the missing property after placing an ad in this paper. This is the way most all our want ads result. Try it once.

To the Pen for Two Years.

James Martin, was Tuesday convicted in the Circuit Court on

the charge of attempted assault on a twelve-year-old girl in the eastern portion of the county, and given two years in the pen. Martin is a widower about forty-five years old.

Turkeys which started off at 11 cents on foot have fallen to 8 cents. The panic is cutting down prices on everything in the country we have to sell but how is it on what we buy?

Ab Wood and Miss Lucy Fisher both of this county were married last week.

Twin boys were born to Mr. and Mrs. De Wood at Log Lick last week.

To relieve the worst forms of Rheumatism, take a teaspoonful of the following mixture after each meal and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home druggists, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription, states a well-known authority in a Cleveland morning paper, forces the clogged-up, inactive kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes Rheumatism.

As Rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, a dose or two daily, or even a few times a week, would never have serious Kidney or Urinary disorders or Rheumatism.

Cut this out and preserve it. Good Rheumatism prescriptions which really relieve are scarce, indeed, and when you need it, you want it badly. Our druggists here say they will either supply these ingredients or make the mixture ready to take, if any of our readers so prefer.

When a man is so good that he doesn't try to get even with his enemies it's a sign he is afraid of them.

J. B. EATON.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Mrs. Henry W. Jacobs, of Irvine, aged seventy-nine years, caught fire from an open grate last week and burned to death.

Elder James Baker fell from a second story window at Lexington and sustained five broken ribs. Elder Baker is the father of Mrs. W. N. Bush of this city.

The bird season opened last Friday with a bright day and the country full of hunters. Game is abundant this year and the hunters are reaping a rich reward.

Look out for H. C. Ogle, Sr., the nurseryman in this city today with a nice fresh stock of choice fruit trees Shrubs and etc. No danger of being overstocked in fruit trees.

"In God We Trust" has been left off the new gold coins at President Roosevelt's order, but we guess it will be a good while before we see how they look owing to the panic.

Sheriff J. M. Kennon, whose notice for official saddle pockets has been running in this paper, has recovered the property. The saddlepockets were stolen and the thief must now stand trial at Mt. Sterling.

George W. Anderson, Jr. has rented J. B. Eaton's livery stable and will take charge of same at once. Mr. Anderson will continue the poultry business, but will conduct it from his new place of business.

A petition asking the pardon of Henry Yontsey, convicted of complicity in the murder of William Geobol, has been prepared by Yontsey and will be circulated in Frankfort and Franklin county. An effort will be made to get Democrats to sign it, and the paper will be presented to Gov. Beckham before he goes out of office on December 10.

It is said that the editorial "we" originated with a very little editor who roasted a big politician and wanted the bully to believe he would have to lick several desperate men when he called at the printing office for revenge.

A Significant Prayer.

"May the Lord help you make Bucklen's Arnica Salve known to all," writes J. G. Jenkins, of Chapel Hill, N. C. It quickly took the pain out of a felon for me and cured it in a wonderfully short time." Best on earth for sores, burns and wounds. 25c at Swann-Day Lumber Co.'s store.

Caleb Powers' Trial.

The Caleb Powers trial is progressing very slowly. The defense seems bent on having the court summon Republican jurors, and wants the court to so instruct the deputy sheriff. The defense has also tried to get the court accept as deputy sheriff a man of Powers own choice.

Lawyer Killed at London.

James Sparks was shot and instantly killed Monday in the court house at London, Ky. by Robt. Boyd Jr. during a session of the court. Both were prominent attorneys of the London bar. Sparks had himself killed a man and had been in other trouble. Boyd is a peaceable man.

Appendicitis

Is due in a large measure to abuse of the bowels, by employing drastic purgatives. To avoid all danger, use only Dr. King's New Life Pills, the safe, gentle cleansers and invigorators. Guaranteed to cure headache, biliousness, malaria and jaundice, at Swann-Day Lumber Co.'s store. 25c.

Weather prophets say we will have a mild winter. Better lay in a double supply of wood or coal.

He Fought at Gettysburg.

David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took. For several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 for what they have did for me." Grand tonic for the aged and for female weaknesses. Great alterative and body builder; sure cure for lame back and weak kidneys. Guaranteed at Swann-Day Lumber Co.'s store. 50c.

Officers of the Kentucky State Guard, at a meeting in Frankfort, adopted a code of rules for the regulation of the guard, and also determined not to have soldiers at the inauguration of Augustus E. Willson unless Mr. Willson requests that a guard be provided. The reason given is that the funds will not permit.

A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equalled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Swann-Day Lumber Co. at their store. 50c and \$1.00. Trial bottle free.
